ORDER

The relief sought for in the present writ petition is to forbear the respondents, agents, servants or any other persons acting on their behalf from demanding License fee for the period from 24.3.2020 till open the Weekly Market in respect of Thiruvarur Weekly Market License is Concern and grant complete waiver on License Fee From 24.03.2020 to 06.09.2020 and half waiver for the remaining period of license in respect of Thiruvarur Old Bus Terminus Parking is concern and to refund the excess amount to the petitioner based on his representations dated 06.01.2021 and 10.02.2021.

2.The petitioner participated in the tender and declared as a successful bidder and consequently permission was granted by the fourth respondent Municipality granting license for weekly fee collection and for parking charges collection for the period of three years from 01.04.2018 to 31.03.2021. The period of lease admittedly expired. The grievances of the writ petitioner is that during the pandemic period and more specifically, when lockdowns were announced, the petitioner was unable to collect toll charges and therefore, the waiver of lease amount is to be granted till September 2020 and further extension is also to be granted.

3.This Court is of the considered opinion that the license/permission was granted based on terms and conditions agreed between the parties. Admittedly, the period of license expired. The Government considered the pandemic situation and granted waiver of two months rent to all the lessees/licensees in G.O.(D).No.298 Municipal Administration and Water Supply (MA IV) departed dated 02.09.2020. As per the said Government Order, the benefit has already been granted to the petitioner. Grant of further concession would not arise and the Court cannot extend the period of lease or grant further concession in view of the fact that the terms and conditions are contractual obligations between the parties.

4.Admittedly, the Government considered the grievances and granted two months waiver. If at all, the petitioner is claiming more concession, he is at liberty to approach the Government and the Courts cannot interfere with such decision of granting of waiver of lease amount or license fee. Granting or extension of such concession involves huge monetary implications and therefore, the Government has to take a decision in the interest of public and the Court cannot extend such concession in favour of any person when the terms and conditions already agreed between the parties are binding.

5.In the present case, the petitioner is challenging the

order of rejection for grant of waiver of rent, however, this Court is of the considered opinion that if any grievances exist, the parties are at liberty to approach the Government and the Court cannot consider any such extension of lease period or for extension of concession of waiver of rent or otherwise.

6. With these observations, the writ petition stands dismissed. No costs. It is made clear that the petitioner is entitled to get waiver of rent/license fee/lease amount for two months, if eligible as per the Government Order passed in G.O. (D).No.298 Municipal Administration and Water Supply (MA IV) dated 02.09.2020. Consequently, connected miscellaneous petition is closed.
