JUDGMENT

(Delivered by the Hon'ble Chief Justice)

The writ appeal has been filed challenging the order dated 11.01.2022, whereby, the writ petition filed by the

appellant was closed finding the redressal of his grievance to survey and demarcate the property, though with an observation about the encroachment of the appellant.

2. As the survey was conducted pursuant to the representation of the appellant, the writ petition became infructuous. However, it was closed with the observation about the encroachment of the appellant, as per the survey conducted by the official respondents.

3. The survey has not been challenged by the appellant. Thus, we do not find any error in the impugned order. Rather, the writ petition has rightly been closed, as survey has been conducted pursuant to the representation.

4. Accordingly, the writ appeal fails and is dismissed. However, if the appellant is aggrieved by the survey conducted, he can take appropriate remedy for it. There will be no order as to costs. Consequently, CMP No.4265 of 2022 is also dismissed.
