This Court understands that the case is posted before the trial court on 23.06.2022. The trial court is now required to adjourn the matter on 23.06.2022 and take up the matter till the conclusion of mediation. The mediator is required to expedite the mediation process and conclude it as expeditiously as possible and preferably not later than July-2022'.

The learned counsel on either side submitted that since the above said portion of the order does not indicate whether the mediation must be held before the Madras High Court mediation centre or before the mediation centre attached to Tiruvallur District Court, the mediation has not yet commenced and they seek clarification.

4. They also jointly stated that the mediation may be held before the mediation
