(Judgment was made by **R.SUBRAMANIAN, J.**)

The appellant challenges the order of the writ Court dismissing his writ petition in which he had challenged the order of transfer of the 3rd respondent from Kalaiyarkoil to Alanganallur, ignoring his request for transfer either to Madurai or Alanganallur.

2. The writ Court has dismissed the writ petition on the ground that the transfer is an incidence of service and it is made on need basis and on administrative grounds. Of course, the employers take into account the convenience of the employees if his/her spouse is also working in the Government Department. But, that alone cannot arm the appellant with a right to challenge every order of transfer, that too of another employee.

3. Therefore, we do not see any merit in the writ appeal. Accordingly, the writ appeal is **dismissed**. No costs.
