Standing Counsel

ORDER

The learned counsel for the petitioner made a submission that on account of the strike by the transport corporation employees, the review benefits were denied. However, during the subsequent 12 (3) Settlement dated 24.08.2002, it was agreed between the management and the Labour union to settle the review benefits which were denied to the employees who were on strike. Thus, the respondents are directed to consider the case of the writ petitioner in term of 12 (3) Settlement already signed between the parties.

2. With these observations, the writ petition stands disposed of.
