O R D E R

The Criminal Original Petition has been filed seeking for a direction for refraining the respondent from such harassment under the guise of enquiry for "illegal detenu" which was falsely inducted in the Crime Number not known of 2021 on the file of the respondent police where the Petitioners plead

innocence and they are nothing to do except to take legal steps at appropriate family court process.

2. The learned counsel appearing for the petitioner would submit that the first respondent harassed the petitioners under the guise of enquiry in respect of illegal detention in a case of Crime Number not known and thereby he seeks direction to the first respondent not to harass the petitioners under the guise of enquiry.

3. Mr.V.Meganathan, learned Government Advocate (Criminal side) appearing for the first respondent would submit that on the complaint given by the second respondent, enquiry has been conducted in CSR No.637 of 2020 and the same is pending on the file of the first respondent. He would reiterate that the first respondent is not harassing the petitioners.

4. Heard both sides and perused the materials available on record.

5. It is the grievance of the petitioners that the first respondent has been harassing them under the guise of enquiry/investigation and hence, have invoked the inherent powers of this Court under Section 482 of Cr.P.C.

6. An enquiry into a non-cognizable offence or a cognizable offence is the unfettered powers of the Investigation Officers so long as the power to investigate/enquire into these offences are legitimately exercised within the frame work of Chapter XII of the Code of Criminal Procedure. Though the Code of Criminal Procedure empowers the Magistrate to be a guardian in all the stages of the police investigation, there is no power envisaging him to interfere with the actual investigation or the mode of investigation. It is in this background that numerous petitions complaining of harassment are being reported and filed before this Court seeking for directions to refrain the police officials from harassing the persons named in a complaint.

7. This Court, exercising its power under Section 482 of the Criminal Procedure Code normally would not interfere with the investigation conducted by a police officer. Nevertheless, it would also not turn a blind eye to instances of harassment by the police under the guise of investigation is brought to its notice.

8. In the present case in hand, the petitioner has complained of harassment by the police based on a complaint and seek for this Court's intervention by way of a direction. The term 'harassment' by itself has a very wide meaning and hence, what could be harassment to the petitioner may not be the same

to the police officer.

9. In order to circumvent such situations, the following guidelines are issued:-

WEB COPY a) While summoning any person named in the complaint or any witness to the incident complained of, the police officer shall summon such person through a written summon under Section 160 Cr.P.C., specifying a particular date and time for appearing before them for such an enquiry/investigation.

b) The respondents police are directed to serve summons mentioning the CSR number, date of complaint and the name of the complainant.

c) The minutes of the enquiry shall be recorded in the general diary/station diary/daily diary of the police station.

d) The police officer shall refrain himself or herself from harassing persons called upon for enquiry/investigation.

e) The guidelines stipulated for preliminary enquiry or registration of FIR by the Hon'ble Supreme Court in Lalita Kumari Vs. Government of Uttar Pradesh and others [2014 (2) SCC (1)] shall be strictly adhered to.

(f) In the event of any cognizable offences made out, the respondent police shall register a regular case and follow the procedure in accordance with law.

10. With the above observations and direction, the Criminal Original Petition stands disposed of.
