W.P.No.8248 of 2022

C.SARAVANAN, J.

There is no representation on behalf of the petitioner.

2. By an order dated 05.04.2022, this writ petition was disposed with the following observations:-

"7. From the above materials, it is seen that the petitioner sent representation with regard to encroachment of the temple property by third parties and one College. The 3rd respondent also instructed the 4th respondent to conduct enquiry and file a report on or before 26.02.2021. From the submission of the learned Special Government Pleader appearing for the respondents 1 to 3 as well as the learned counsel appearing for the 4th respondent, it is seen that they have initiated proceedings only with regard to Survey No.390/1B. Even though the 3rd respondent informed the petitioner by the proceedings dated 23.02.2021 that the 4th respondent was directed to enquire the allegations made by the petitioner and file a report to the 3rd respondent, till now, the 4th respondent has not taken any steps with regard to other Survey Numbers. Considering the above, the 4th respondent is directed to enquire and file a report to the 3rd respondent within a period of four weeks from the date of receipt of a copy of this order. On receipt of the report from the 4th respondent, the respondents 2 and 3 are directed to take action on the representation of the petitioner, based on the report filed by the 4th respondent, within a period of four weeks thereafter."
