COMMON ORDER

By consent of counsels to both the parties, all the writ petitions are disposed of today at the admission stage itself.

2. The reliefs sought for in the writ petitions are for a Mandamus seeking direction to the respondent to pay the petitioner difference amount of Gratuity and Leave Salary, as per the Wage Revision Settlement dated 04.01.2018 and also to pay Post retirement benefit Scheme amount with interest at 6% , within a time frame, as fixed by this court.

3. The facts and circumstances and the issues involved in all the writ petitions are one and the same. Hence, this court passes the common order.

4. The case of the petitioners in brief.

The petitioners were working as Conductor/Assistant/Helper in the respondent Corporation and they had retired from service during the year 2017. A settlement under Section 12(3) of the Industrial Dispute Act was entered into between the first respondent Management and the Trade Unions on 04.01.2018 and Clause 1(a) of the Settlement described as to how the pay to be re-fixed for the employees, who are on rolls as on 01.09.2016. As per the above settlement, the petitioners, who are the permanent employees, are entitled for revision of pay as on 31.08.2016, and for the same, they are entitled to get the difference of Gratuity and Leave Salary. However, the respondent Corporation has not implemented the above settlement in the petitioners' case. Hence, they made their individual representations on various dates to the respondents to pay the difference amount of Gratuity and Leave Salary and to pay Post retirement benefit Scheme amount. But, the respondents have not taken any action. Further, the petitioners have also made their individual application on various dates, under RTI Act and replying to the same, the respondents have sent replies to the petitioners, informing that they are entitled for wage revision and the Post retirement benefit scheme amount. The details of the difference amount payable to the petitioners have also been furnished in the above said reply. However, the respondents have not come forward to settle the agreed amount under RTI Act. Hence the writ petition.

5. The learned counsel appearing for the petitioners submitted that in a similar matter, this court has passed an order in W.P.(MD)No.12824 of 2021 dated 28.07.2021 and hence prayed to pass orders on the same line.

6. The learned Standing Counsel appearing for the respondents submitted that the representations of the petitioners would be considered, and appropriate orders would be passed by taking note of the orders passed by this court in W.P.No.12824 of 2021 dated 28.07.2021, within a period four weeks from the date of receipt of a copy of this order.

7. In view of the above submissions and also with the consent of both parties, this court is inclined to pass the following order.

i) The second respondent is directed to consider the individual representations of the petitioners and to pass orders individually, by taking note of the orders passed by this court in W.P.(MD) No.12824 of 2021 dated 28.07.2021 and in accordance with law, as early as possible, within a period of four weeks from the date of receipt of a copy of this order.

ii) It is open to the petitioners to give all the particulars along with the copy of this order to the respondent Corporation, within one week from the date of receipt of a copy of this order.

WEB COPY

iii) It is made clear that, if the respondents decided that the petitioners are entitled to get the claim made, they shall settle the arrears amount to the petitioners in four equal monthly installments, from the date of passing of that order.
