For Petitioner : M/s. S. Kumara Devan

For Respondents : M/s. Akila Rajendran,
Government Advocate

ORDER

The present petition has been filed seeking a direction to the 2nd Respondent to consider the representation dated 29.10.2021 made by the 2nd Petitioner to delete the wrongful entry made in the "A" Registry in respect of the subject land.

2. M/s. Akila Rajendran, learned Government Advocate takes notice for respondents.

3. It is the case of the petitioner that the subject property is the ancestral property devolved upon the petitioner's husband and Patta was granted in respect of the said property under UDR Scheme. After the demise of her husband, said property was devolved upon the petitioner. In order to avail agricultural loan by mortgaging the said property, "A" Registry was verified, the petitioner came to know that there was a wrongful entry made in the "A" Registry classifying the "Ayan-Punjai" land as "Panchami". In order to make corrections in the "A" Registry, the petitioner made a representation dated 29.10.2021 before the Respondents. However, till date, the same has not been considered. Hence, the present petition has been filed.

4. Though very many grounds have been raised, learned counsel for the petitioner submits that it would suffice if this Court directs the 2nd Respondent to consider the representation made by the petitioner and dispose of the same on merits, within the time that may be stipulated by this Court.

5. Learned Government Advocate appearing for the respondents has no objection to the said order being passed.

6. In view of the aforesaid submissions, this Court, without expressing any opinion on the merits of the case, directs the 2nd Respondent/District Collector to consider the representation dated 23.02.2022 made by the petitioner and dispose of the same in accordance with law, after affording an opportunity of personal hearing to the aggrieved persons if any, within a period of twelve weeks from the date of receipt of a copy of this order.

7. Accordingly, this writ petition is disposed of with the aforesaid direction. No costs.
