ORDER

The present petition has been filed seeking a direction to the Respondent/Tahsildar herein to consider the petitioner's representation dated 02.04.2022 and a direction to the Taluk Surveyor to survey and fix the boundary stones around the petitioner's land.

2. It is the case of the petitioner that she purchased the subject property by way of a registered sale deed dated 29.07.1997 and she is in possession and enjoyment of the property. The revenue records of the said property were also transferred in favour of the petitioner. While being so, the adjacent land owners are trying to encroach the petitioner's property. Hence, in order to demarcate the petitioner's land,

she made a representation dated 02.04.2022 to the Respondent/Tahsildar requesting to survey and fix the boundary stones in the petitioner's land. However, till date, the same has not been considered. Hence, the present petition has been filed.

3. Though very many grounds have been raised, learned counsel for the petitioner submits that it would suffice if this Court issues a direction to the 3<sup>rd</sup> Respondent/Tahsildar to consider and dispose of the representation dated 02.04.2022, within the time that may be stipulated by this Court.

4. Learned Government Advocate appearing for the respondent reiterated the report which was filed by the 3<sup>rd</sup> Respondent/Tahsildar that though the petitioner claims that she is the owner of the subject property, however, no parent documents in respect of the said property have been produced. Further, the petitioner is not in possession of the said property and there are around ten families residing in the said property.

5. In view of the report of the 3<sup>rd</sup> Respondent/Tahsildar, the petitioner is not in possession of the said property and no parent documents of the said property have been produced, in the absence of any material to substantiate the claim of the petitioner and in view of the fact that there are around ten families residing in the said property, the prayer sought for in this Writ Petition cannot be considered and this Writ Petition deserves to be dismissed.

6. For the reasons aforesaid, this Writ Petition is devoid on merits and the same is dismissed accordingly, with liberty to the petitioner to work out her remedy before the competent civil forum. No costs.
