the respondents to return the original certificates of the petitioners collected by the 3rd to 5th respondents colleges during the time of their PG admission.

For Petitioners: Mr.J.Madanagopala Rao

For Respondents: Mr.S.Ravi Kumar

Special Government Pleader

O R D E R

The relief sought for in the present writ petition is to direct the respondents to return the original certificates of the petitioners collected by the respondents 3 to 5, during the time of admission.

2. Admittedly, the writ petitioners have undergone Post Graduate Courses in various disciplines in Government Institutions. They have completed their respective speciality courses and they are awaiting the posting orders from the Government as per the bond executed by them. As per the bond condition, the petitioners are bound to serve in Government Hospitals for a minimum period of two years after completion of the speciality courses.

3. The learned counsel for the petitioners mainly contended that, even after the completion of the Post Graduate Courses, the respondents have not issued the posting orders and further, not returned the original certificates, enabling the writ petitioners to continue their medical practice. Hence, these petitioners are constrained to move the present writ petition.

4. It is not in dispute between the parties that, during the admission to Post Graduate courses in various specialities, the writ petitioners have executed a bond and as per the conditions of the bond, the petitioners are bound to serve in Government Hospitals for a minimum period of two years after completion of their respective speciality courses.

5. The learned Special Government Pleader appearing on behalf of the respondents furnished a copy of the written instructions issued by the Director of Medical Education, dated 24.05.2022. As per the written instructions of the Director of Medical Education, the Department has decided to conduct counselling for the Service Post Graduates in the first week of June, 2022, since the Post Graduates are undergoing their final
