PRAYER: Application filed under Order XIV Rule 8 of O.S.Rules, 1956 r/w Section 29A of the Arbitration and Conciliation Act, 1996 to extend the time period for conclusion of the arbitral proceedings between the Applicant and Respondent in IAF No.14/2021/MHAC pending before the sole arbitrator Maithreyi Canthaswamy Sharma.

For Petitioner : Mr.Adithya Reddy

ORDER

This application has been filed for extension of the period for completing the arbitration proceedings under the provisions of the MSME Act, 2006 r/w the Arbitration and Conciliation Act, 1996.

2. The MSME Act being a special enactment, a period of 90 days has been prescribed for completing the proceedings. However, on account of several factors, including the change of counsel on behalf of the

petitioner, the proceedings could not be completed and hence, the learned arbitrator appointed for deciding the dispute has requested by both the parties to approach the Court for appropriate order for extension of time beyond 29.05.2022 to complete the proceedings.

3. To this effect, learned Arbitrator also recorded the same in her proceedings dated 20.05.2022. Considering the fact that the proceedings could not be completed and the parties have already filed their claim statements, defence and the re joinder, I am inclined to allow this application filed by the applicant by extending the period for completing the arbitration proceedings by another six months from date of receipt of this order.
