ORDER

This Writ Petition has been filed seeking to issue a Writ of Mandamus, directing the second respondent to appoint the petitioner as Assistant Engineer, from the date of his appointment.

2. The case of the petitioner in brief:

The petitioner was appointed as Non ITI Helper Trainee, under compassionate ground, vide order dated 05.12.2016 and after completion of training period, he was appointed as Junior Assistant vide order dated 02.02.2019. According to the petitioner, as per settlement arrived under Section 12(3) of Industrial Disputes Act dated 14.01.2018, appointment to the employees under compassionate quota, shall be, as per their qualification having at the initial stage of appointment. The petitioner acquired degree in Bachelor of Engineering (Mechanical), before appointment. Hence, as per the above provisions of the settlement, the respondents ought to have appointed the petitioner as Assistant Engineer and the petitioner has also given representations. But the respondents have not considered it. Hence this writ petition.

3. The contentions of the counter affidavit in brief:

As per G.O.Ms.No.18 Labour and Employment Department dated 23.01.2020, the vacancies, which come under C and D group alone shall be filled up under Compassionate Appointment. Further, the petitioner seeks to provide him Technical Supervisory Post, which squarely comes under group 'B' and the post of Assistant Engineer shall be filled up only by Direct Recruitment. Therefore, this writ petition has no merits and is liable to be dismissed.

4. Heard the counsel appearing for the petitioner and the counsel appearing for the respondents.

5. According to the petitioner, as per the proviso to Section 12(3) of the settlement under Industrial Dispute Act, the petitioner has made representations to appoint him as Assistant Engineer from the date of his appointment, however it was not considered. The contention of the respondents is that the petitioner was appointed as Junior Assistant, under compassionate ground, as per G.O.18 dated 23.01.2020. But the petitioner seeks higher post of Assistant Engineer, contrary to the above Government Order.

6. Admittedly, the petitioner was appointed as Junior Assistant under Compassionate ground. The post of Assistant Engineer, which is a technical supervisory post did not come under the purview of settlement arrived under Section 12(3) of the Industrial Dispute Act dated 22.01.2011. Apart from that, the above technical post has to be filled up only by way of Direct Recruitment, not under compassionate ground. Therefore, this court is of the view that there is no merits to allow the writ petition.

7. Accordingly, this writ petition is dismissed. No costs.
