7. It is needless to say that any tool or instrument or vehicle used for illegal quarrying/ transportation of sand is liable to be seized under Section 21(4) of the Mines and Minerals (Development & Regulation) Act and any vehicle or instrument or tool which has been seized under Section 21 (4) of the Mines and Minerals (Development & Regulation) Act is liable to be confiscated under Section 21(4-A) of the Mines and Minerals (Development & Regulation) Act.

8. Though the above provision mandates the authorities to confiscate the tool or instrument or vehicle involved in the commission of the offence of illegal quarrying / transportation of sand, the authorities have not invoked the provision of 21 (4-A) of the Mines and Minerals (Development & Regulation) Act 1957 and therefore, a Division Bench of this Court in W.P.No.19936 of 2016, etc., batch has emphasised the need for confiscation of the vehicles. Consequently, the Government has also issued certain directions to the authorities of Revenue, Police and Forest and Geology and Mining departments to seize the vehicles and for confiscation of the same in G.O.Ms.No.170, Industries MMC-2 Department, dated 05.08.2020 and therefore, the respondent police is directed to proceed further as per Section 21 (4-A) of the Mines and Minerals (Development & Regulation) Act and as per the guide lines issued in G.O.Ms.No.170, Industries MMC-2 Department, dated 05.08.2020.
