THE HON'BLE CHIEF JUSTICE
and
D.BHARATHA CHAKRAVARTHY, J.

Leave to maintain the appeals is granted in view of the fact that without impleading the applicants as respondents in the writ petition and without disclosing the pendency of the suit, the writ petition was pressed followed by an order affecting the right of the applicants.

Thus, the applications are allowed. Let the appeals be numbered and listed in the next week. In the meanwhile, the learned counsel for the applicants would submit the translated copies of the documents relied upon.
