4. The learned Additional Public Prosecutor vehemently opposed to grant anticipatory bail to the petitioner.

5. Already this Court granted interim anticipatory bail to the petitioner by an order dated 26.07.2022. However, the learned counsel for the petitioner would submit that the petitioner could not able to comply with the condition as imposed by this Court. That apart, there are very serious allegations as against the petitioner.

6. Taking into consideration the facts and circumstances of the case and the bad antecedents of the petitioner, the custodial interrogation of the petitioner is very much required in this case. Hence, this Court is not inclined to grant anticipatory bail to the petitioner.

7. Accordingly, this Criminal Original Petition is dismissed.
