SENTHILKUMAR RAMAMOORTHY, J.

By this application, an ex-tenant of the respondent seeks the appointment of an advocate commissioner to enter the property described in the schedule to the Judge's summons for the purpose of removal of the applicant's assets therefrom.

2. On instructions, learned counsel for the respondent states that the respondent has no objection to the removal of the applicant's assets from the premises. However, he submits that the applicant has not discharged its obligation to pay rent to the respondent. This contention is refuted by learned counsel for the applicant by stating that there are no rental dues.

3. In view of the categorical statement by the respondent that the applicant may enter the premises for purposes of removal of its assets, this application is disposed of by recording the said statement. The disposal of this application is, however, without prejudice to the right of both parties to make claims in accordance with law.
