The petitioners who apprehend arrest at the hands of the respondent police for the offences punishable under Sections 341, 294(b), 323, 334 and 506(ii) of IPC in Crime No.93 of 2022, seek anticipatory bail.

2. The case of the prosecution is that there was a land dispute between the petitioners and the defacto complainant due to which, the first petitioner in an intoxicated state attacked the defacto complainant. Thereafter, all the petitioners joined together and attacked the defacto complainant and caused injuries to him. Hence, the complaint.

3. The learned counsel for the petitioners would submit that the petitioners are innocent persons and they have not committed any such offence as alleged by the prosecution and they have been falsely implicated in this case. There was a case in counter. Therefore, he prays to grant anticipatory bail to the petitioners.

4. The learned Additional Public Prosecutor would submit that the

petitioners attacked the defacto complainant and caused injuries to him. He would further submit that the injured has been discharged from the hospital on 28.08.2022. However, he vehemently opposed to grant anticipatory bail to the petitioners.

5. Considering the above fact and circumstances of the case and also considering the fact that the injured has been discharged from the hospital, this Court is inclined to grant anticipatory bail to the petitioners with certain conditions.

6. Accordingly, the petitioners are ordered to be released on bail in the event of arrest or on their appearance, within a period of fifteen days from the date on which the order copy made ready, before the **Judicial Magistrate No.2, Attur** on condition that the petitioners shall execute separate bonds for a sum of Rs.10,000/- (Rupees Ten Thousand only) each, with two sureties each for a like sum to the satisfaction of the respondent police or the police officer who intends to arrest or to the satisfaction of the learned Magistrate concerned, failing which, the petition for anticipatory bail shall stand dismissed and on further condition that:
