in C.S.No.477 of 1993  
and Tr.C.S.No.129 of 1994

N.SESHASAYEE, J.

These two suits were laid against the two independent Trusts for framing a scheme.

2.While the plaintiff, who are common in both suits claim that the Trust is a public Trusts, the defendant contends that they are private Trusts. These applications are taken out by the 1<sup>st</sup> defendant in both the suits to denote them as private Trusts.

3.Whether the two Trusts involved in these two litigations are public Trusts or Private Trust is a matter for adjudication. This court does not consider it appropriate to pre-empt and find that these Trusts are private Trusts or public Trusts, that would be adjudicated at the appropriate stage of the suits. For the present, these applications are closed.
