ORDER

This writ petition has been filed for a Mandamus seeking for a direction to the respondents to regularise their service on par with others with effect from the date of completion of their ten years.

2. The petitioners have been regularised as Plot Watcher (supernumerary)/Forest watcher on various dates between 07.08.2009 and 22.01.2014. They have also got superannuated . However, according to them, the persons, who were appointed in the very same year, have been treated differently by the respondents as they have been regularised immediately on completion of their 10 years service. The petitioners state that if they were regularised immediately on completion of their ten years service, they will be getting better pensionary benefits. Only for the said purpose, they have given joint representation on 18.03.2022 to the respondents requesting for regularising their service on national basis with effect from the date when they completed 10 years of their service to enable them to get higher pensionary benefits. Since the representation has not been considered till date, they have filed this writ petition.

3. Heard Mr.S.Mani, learned counsel appearing for the petitioner and

Mr.K.H.Ravi Kumar, learned Government Advocate accepts notice on behalf of the respondents. By consent of both the parties, the main writ petition has been taken up for final disposal.

4. The learned Government Advocate appearing for the respondents would submit that the petitioners have all been superannuated and they were regularised between 2009 and 2014 and they have not approached this Court immediately after they were regularised into service and therefore, on the ground of laches, the present writ petition is not maintainable. He would further submit that there is no acknowledgement produced by the petitioner to show that the representation was duly acknowledged by the respondents. The statement made by the learned Government Advocate appearing for the respondents is recorded. However, this Court is of the considered view that no prejudice would be caused to the respondents if the petitioner's representation as stated supra is considered on merits and in accordance with law within a time frame to be fixed by this Court.

5. For the foregoing reasons, this Court directs the first respondent to pass final orders on the petitioners joint representation dated 18.03.2022, seeking for regularisation of their service on par with others immediately on
