2. Learned Standing Counsel appearing for the Corporation of Chennai now submitted that after the issuance of the notice dated 15.10.2022 giving 30 days time calling upon the violators to revert the property-in-question to its original condition before the said construction took place, De-occupation notice dated 18.11.2022 has also been issued, therefore, they have taken action as per the direction of this Court. He further submitted that today, they have also taken further action by locking and sealing of the property-in-question.

3. In view of the above developments shown by the 2nd respondent, we are of the view that no further orders are required in this petition. Needless to mention that if there is any legal hurdles for further action, the petitioner can very well approach this Court, if she is so advised.

4. The WMP. is ordered accordingly.
