3. It is the case of the petitioner that originally the subject property belongs to the petitioner's husband. After the demise of the petitioner's husband, the aforesaid property was partitioned among the petitioner and her children, pursuant to which, the petitioner was given a particular portion of the property in Survey No.256 and she is in absolute possession and enjoyment of the same. Due to some discrepancy existed in actual measurements in the online patta, the petitioner made a representation dated 11.08.2022 to the respondents seeking to survey her property. However, till date, the same has not been considered. Hence, the present petition.

4. Though very many grounds have been raised, learned counsel for the petitioner submits that it would suffice if this Court directs the Respondents to consider the petitioner's representation dated 11.08.2022 seeking to survey her property and dispose of the same on merits within the time stipulated by this Court.
