prepared to deposit an amount of Rs.5,000/- towards any charitable organization or association. Therefore, he prays for grant of anticipatory bail to the petitioner.

4. The learned Government Advocate (Crl.side) appearing for the respondent submitted that the petitioner had transported 1/4 unit of red sand in a bullock cart without any valid license. Hence, he vehemently opposed to grant anticipatory bail to the petitioner.

5.This Court in a batch of applications in Crl.O.P.No.13334 of 2020 dated 03.09.2020 had dismissed the earlier application expressing the opinion that the offenders despite several orders passed by various Benches of this Court regarding illegal sand mining and knowing fully well about the evil consequences affecting the environment and society at large and the implications thereon are indulging in the offences of illegal quarrying/mining, theft and smuggling of sand and minerals and that finding that the case comes under the category of cases of large magnitude affecting and impacting livelihood of a very large number of people knowingly and unknowingly, had dismissed the earlier

applications. 6. It is the case of the petitioner that the quantity is minimum intended for his personal use and that he has no previous case, however in order to curb the illegal sand mining activities and taking into consideration the voluntary submission made by the petitioner offering to deposit a considerable amount to any charitable organization or association, this Court is of the opinion that the petitioner may be directed to deposit a sum of Rs.5,000/- (Rupees Five Thousand only) to credit of the concerned District Mineral Foundation Trust, without prejudice to his rights and contentions before the trial Court.
