2. This Writ Petition has been filed for the issuance of Writ of Mandamus, directing the Respondents herein to refer the award No.7/2022 in Na.Ka.AA1/2674/2019 dated 25.03.2022 to the competent Court under Section 8 and Section 10 of the Tamil Nadu Acquisition of Lands for Industrial Purposes Act, 1997 (Tamil Nadu Act 10/ 1999) for the purpose of determination of title of the land and for the deposit of the compensation amount determined under the award for the acquired land and seek enhanced compensation for the development of the land by the petitioner

with respect to survey No.173/2B for an extent of 0.14.5 hectares of land situated in Thachur Village, Kallakurichi Taluk and Kallakurichi District

3. The case of the petitioner is that the petitioner became the absolute owner of the subject property by way of partition deed which was registered as document No.3358 of 2011. While so, the said land was acquired for formation of New Broad gauge Railway line between Chinnasalem and Kallakurichi under the Industrial Purposes Act, 1997. In order to determine the compensation, the petitioner also participated in the Award proceedings and also produced all the documents to prove the title of the petitioner with respect to the aforesaid property. However, the compensation amount was not disbursed to the petitioner, on the ground that the land was acquired, in violation of the condition of assignment, whereby they refused to pay the compensation to the petitioner. Hence the present writ petition is filed for the aforesaid prayer.

4. The learned counsel for the petitioner submitted that after the year 1962 there were several alienations in favour of several persons. Lastly the petitioner, his father and his brother entered into partition vide document No. 3358 of 2011 . Thereafter the patta was also mutated in the name of the

petitioner. He further contend that the authorities concerned refusing to pay the compensation to the petitioner who is the absolute owner of the subject property is not sustainable one. Hence he submits it would be suffice to refer the matter under Section 10(3) of the Act, on considering the petitioner's representation dated 02.05.2022 and pass appropriate orders within the time frame stipulated by this Court.

5. Heard the learned counsel for the petitioner as well as the learned additional Government pleader appearing for the respondents and perused the materials available on record.

6. Admittedly the facts of the case is not in dispute that the petitioner's claim is that he is the owner of the subject property and the said land is acquired for the purpose of invoking the provisions of the Industrial Purposes Act for erecting New Broad Gauge Railway line between Chinnasalem and Kallakurichi. However the petitioner representation dated 02.05.2022 was not considered.

7. In view of the above, this Court is inclined to issue a direction to the second respondent to consider the petitioner's representation dated

02.05.2022 and pass appropriate orders, either under section 8 or under Section 10(3) of Industrial Purposes Act, within a period of twelve weeks from the date of receipt of a copy of this order.
