ORDER

This writ petition has been filed to issue a Writ of Mandamus, to direct the District Revenue Officer, 1<sup>st</sup> respondent herein to restore patta, chitta and adangal in favour of the petitioner in respect of the land comprised in Survey No.5/5,

situated at Vivekanandapuram, East Rajapalayam Post, Gangavalli Taluk, Salem District.

2. The case of the petitioner is that the land comprised in Survey No.5/5, situated at East Rajapalayam Village, Attur Taluk, now Gangavalli Taluk, Salem District, were set apart for allotment to the land colonization society formed by the Anna Porters Association, Attur for agricultural purposes by the Government. Accordingly, the classification of the land was ordered to be changed by the then District Revenue Officer as poramboke to assessed waste dry and assignments were granted to the members of the society. Accordingly, the assignments were granted in the year 1980 in respect of the land comprised in Survey No.5/5 to an extent of 2.30 acres in favour of the petitioner's vendor by the respondents for agricultural purpose. It was made on condition that it shall not be sold for a period of ten years. After a long time from its assignment, the said land was sold out in favour of the petitioner. After purchase of the said land, the petitioner had been continuing the cultivation and the land is put to use only for agricultural purposes.

3. While being so, on the complaint lodged by the private person as if assignment conditions were violated, the 1<sup>st</sup> respondent cancelled the assignment stood in the name of the petitioner's vendors without even issuing notice to them. Subsequently, the 3<sup>rd</sup> respondent removed the entries made in the Patta, Chitta and Adangal. Therefore, the petitioner and others have filed Writ Petitions challenging the cancellation of assignments in W.P.No.1859 of 2017 etc., batch in respect of the property purchased by them. This Court by an order dated 16.04.2018 allowed the writ petitions and thereby quashing the impugned cancellation of assignments issued by the 1<sup>st</sup> respondent herein.

4. Pursuant to the aforesaid order passed by this Court, the petitioner has made a representation dated 14.06.2018 to restore the Patta, Chitta and Adangal in the name of the petitioner. However, the respondents did not consider the same for the reason that this Court only set aside the cancellation of assignments and there is no direction to restore the Patta and other revenue records in favour of the Petitioner.

5. In fact, as against the order passed in the aforesaid batch of writ petitions, the person who lodged complaint to seek cancellation of assignments filed W.A.Nos.1995 of 2021 etc., batch before this Court. The Hon'ble Division Bench of this Court by the judgement dated 15.11.2021 dismissed all the writ appeals and observed that the unsuccessful litigant before the Civil Court cannot be encouraged by this Court in writ

jurisdiction, more particularly, in public interest litigation. Even then, the 1<sup>st</sup> respondent did not restore the revenue records in favour of the petitioner.

6. In view of the above, the 1<sup>st</sup> respondent is directed to mutate the revenue records in favour of the petitioner in respect of the subject land, within a period of four weeks from the date of receipt of a copy of this order.

7. With the above direction, this writ petition is allowed. No costs.
