Civil Revision Petition (PD) No. 4030 of 2022

4. It is for the revision petitioners to place all the judgments before the trial court for consideration. The revision petition is to be filed only if a final decision is to be taken by the trial court without considering the legal principles settled in that regard or by not following the procedures as contemplated. Contrarily, mere issuance of notice to the parties would not cause infringement of the right of the parties and the parties are at liberty to contest the matter in the manner known to law.

5. In the present case, the first revision petitioner is the mother-in-law and therefore, she has to contest the matter by placing all the facts and grounds, which she has chosen to submit. In view of the facts and circumstances, the revision petitioners are at liberty to raise all the grounds raised in this revision petition before the trial court, which is to be considered on merits and in accordance with law.

6. Accordingly, the civil revision petition stands disposed of. No costs. Consequently, the connected miscellaneous petition is closed.
