A.Nos.5215, 5216 of 2022
in O.P.No.257 of 2022

SENTHILKUMAR RAMAMOORTHY, J.

The petitioner has presented these two applications. By A.No.5216 of 2022, the petitioner seeks leave to exhibit the documents described in the schedule to the Judge's summons. By A.No.5215 of 2022, the petitioner seeks leave to file a rejoinder to the counter.

2. Learned counsel for the petitioner states that these documents are relevant for purposes of the petition. This contention is refuted by learned counsel for the respondents, who states that these documents relate to an earlier period and are irrelevant.

3. As regards the application for permission to file a rejoinder, learned counsel for the petitioner states that new facts were pleaded in the counter and the same necessitates the filing of the rejoinder.
