that one of the partners of the firm was black listed. According to the learned counsel for the petitioner, the firm has not been black listed. Therefore, merely because one of the partner in the individual capacity has been black listed, the petitioner's tender cannot be rejected. It is her further contention is that as the tender is of the year 2017 and work has also been completed, nothing survives for adjudication in this Writ Petition.

3. In view of the submission of the learned counsel appearing for the petitioner, this Writ Petition is dismissed as infructuous. It is needless to say that it is open to the petitioner to participate in subsequent tenders and merely because one of the partner is black listed, the same cannot be a reason to reject the entire firm. Consequently, connected miscellaneous petitions are closed. No costs.
