petitioners and their eligibility in the Medical Recruitment Board Examination 2018, by following the order dated 30.04.2021 passed by the Hon'ble Supreme Court of India in Suo Motu W.P.No.3 of 2021 and the Central Government Notification dated 03.05.2021 Ref.File No.Z.20015/43/2021-MEI, within a time limit to be fixed by this Court.

ORDER

This Writ petition has been filed for a mandamus seeking for a direction to the respondents to grant regular appointment to the petitioners as Assistant Surgeons, considering the Covid-19 duty rendered by them during all three Covid-19 waves and considering the fact that they have already passed the Medical Recruitment Board Examination for the year 2018, within a time frame to be fixed by this Court.

2. Mr.Stalin Abimanyu, learned Additional Government Pleader accepts notice on behalf of the respondents 1 & 2 and Mr.M.Loganathan,

W.P.No.32042 of 2022

learned Standing Counsel accepts notice on behalf of the third respondent.

By consent of both the parties, this Writ Petition is taken up for final disposal at the admission stage itself.

3. Heard Mr.S.Thanka Sivan, learned counsel for the petitioners, Mr.Stalin Abimanyu, learned Additional Government Pleader appearing for the respondents 1 & 2 and Mr.M. Loganathan, learned standing counsel appearing for the third respondent.

4. The question of issuing a positive direction as sought for in this writ petition, will not arise at this stage. The only limited relief that can be granted to the petitioners is to direct the respondents to consider the representation seeking for grant of regular appointment as Assistant Surgeons.

5. The petitioners contend that they were directed to do Covid-19 duties during the three waves. They also contend that they had earlier passed the examination conducted by the Medical Recruitment Board in the

W.P.No.32042 of 2022

year 2018. According to them, they had passed the examination, but were not selected as Assistant Surgeons pursuant to the Medical Recruitment Board Examination conducted in the year 2018.

6. The petitioners also rely upon a judgment of the Hon'ble Supreme Court in 'Suo Motu Writ Petition (Civil) No.3 of 2021' in 'In Re: Distribution of Essential Supplies and Services During Pandemic'. In particular, the observation made by the Hon'ble Supreme Court in paragraphs 66 & 67, is relied upon by the petitioners for the purpose of substantiating their claim that having rendered Covid-19 service on all the three waves as Health Care Professions who had combated the Covid-19 pandemic, their case for appointment as Assistant Surgeons ought to have been considered as per the aforementioned judgment of the Hon'ble Supreme Court.

7. According to the petitioners, though the order was passed by the Hon'ble Supreme Court on 30.04.2021, the said order was ignored in the subsequent notification issued by the Medical Recruitment Board and no

W.P.No.32042 of 2022

preference was granted to similarly placed persons, who had done Covid-19 duties during all the three waves. It is further contended by the petitioners that by the notification dated 03.05.2021, Ministry of Health and Family Welfare, MEP Section, Government of India in Clause 17 therein, has recommended to the State/UT Governments to consider giving preference in regular Government appointments of Health professionals through the respective Public Service Commission/other recruitment bodies, for those Health Professionals under this special scheme, who complete a minimum of 100 days of Covid related duty. The petitioners contend that having been completed more than 100 days of Covid-19 related duties, they ought to have been appointed as Assistant Surgeons.

8. As observed earlier, this Court cannot grant any positive direction as sought for in this writ petition.

9. The learned Additional Government Pleader appearing for the first and second respondents and the learned standing counsel appearing for the third respondent/Board, in unison, submit that the petitioners are not

W.P.No.32042 of 2022

entitled to be appointed as Assistant Surgeons, as according to them, the petitioners were appointed only on contract basis and they do not have any vested right for appointment as Assistant Surgeons. According to them, having failed to get selected in the year 2018, they cannot now seek for regular appointment as Assistant Surgeons.

10. The above contention of the learned counsels is disputed by the learned counsel for the petitioner, who would reiterate that the petitioners are entitled for being recruited as Assistant Surgeon.

11. This Court is of the considered view that no prejudice would be caused to the respondents, if the petitioners' representations seeking for regular appointment as Assistant Surgeons, are considered on merits and in accordance with law, within a time frame to be fixed by this Court.

12. The petitioners have given separate representations. However, this Court is of the considered view that the petitioners will have to give fresh representations to the respondents to enable them to consider the same on merits and in accordance with law.

13. For the foregoing reasons, this Court directs the petitioners to submit fresh representations to the first and second respondents seeking for

W.P.No.32042 of 2022

grant of regular appointment as Assistant Surgeons, considering the Covid-19 duty rendered by them during all three Covid-19 waves and their eligibility in the Medical Recruitment Board Examination 2018, in the existing vacancy, within a period of two weeks from the date of receipt of a copy of this order. On receipt of the said representations, the first and second respondents shall pass final orders on merits and in accordance with law, within a period of eight weeks thereafter. The petitioners are directed to send a copy of the judgment of the Hon'ble Supreme Court dated 30.04.2021 passed in 'Suo Motu Writ Petition (Civil) No.3 of 2021' in 'In Re: Distribution of Essential Supplies and Services During Pandemic' and the Central Government notification dated 03.05.2021, for the respondents' consideration.

14. With the aforesaid directions, this Writ Petition is disposed of. No costs. Consequently, connected miscellaneous petition is closed.
