For Respondents : Mr.Stalin Abimanyu,
Additional Government Pleader [R1 & R2]
Mr.M. Loganathan,
Standing Counsel [R3]

ORDER

This Writ petition has been filed for a mandamus seeking for a direction to the respondent authorities to grant regular appointment to the petitioners as Assistant Surgeons in the existing vacancies, considering the Covid-19 duty rendered by them and their eligibility in the Medical Recruitment Board Examination for the year 2018, by following the order dated 30.04.2021 passed by the Hon'ble Supreme Court of India in Suo Motu W.P.No.3 of 2021 and the Central Government Notification dated 03.05.2021 Ref. File No.Z.20015/43/2021-ME1, within a time frame to be

2. Heard Mr.S. Thanka Sivan, learned counsel for the petitioners. Mr.Stalin Abimanyu, learned Additional Government Pleader, accepts notice on behalf of the respondents 1 & 2 and Mr.M. Loganathan, learned standing counsel accepts notice on behalf of 3rd respondent. By consent of both the parties, this Writ Petition is taken up for final disposal at the admission stage itself.

3. The question of issuing a positive direction as sought for in this Writ Petition, will not arise at this stage. The only limited relief that can be granted to the petitioners is to direct the respondents to consider the representation seeking for grant of regular appointment as Assistant Surgeons.

4. The petitioners contend that they were directed to do Covid-19 duties during the three waves. They also contend that they had earlier passed the examination conducted by the Medical Recruitment Board in the year 2018. According to them, they had passed the examination but were

W.P.No.32609 of 2022

not selected as Assistant Surgeons pursuant to the Medical Recruitment Board Examination conducted in the year 2018.

5. The petitioners also rely upon a judgment of the Hon'ble Supreme Court in '*Suo Motu Writ Petition (Civil) No.3 of 2021*' in '*In Re: Distribution of Essential Supplies and Services During Pandemic*'. In particular, the observance made by the Hon'ble Supreme Court in paragraphs 66 & 67, is relied upon by the petitioners for the purpose of substantiating their claim that having rendered Covid-19 service on all the three waves as Health Care Professions who had combated the Covid-19 pandemic, their case for appointment as Assistant Surgeons ought to have been considered as per the aforementioned judgment of the Hon'ble Supreme Court.

6. According to the petitioners, though the order was passed by the Hon'ble Supreme Court on 30.04.2021, the said order was ignored in the subsequent notification issued by the Medical Recruitment Board and no preference was granted to similarly placed petitioners, who had done Covid-19 duties during all the three waves. It is further contended by the

W.P.No.32609 of 2022

petitioners that by the Central Government notification dated 03.05.2021, Ministry of Health and Family Welfare, MEP Section, Government of India in Clause 17 therein, has recommended to the State/UT Governments to consider giving preference in regular Government appointments of Health professionals through the respective Public Service Commission/other recruitment bodies, for those Health Professionals under this special scheme, who complete a minimum of 100 days of Covid related duty. The petitioners contend that having been completed more than 100 days of Covid-19 related duties, they ought to have been appointed as Assistant Surgeons.

7. As observed earlier, this Court cannot grant any positive direction as sought for in this Writ Petition.

8. The learned Additional Government Pleader appearing for the first and second respondents and the learned standing counsel for the third respondent/Board, in unison, submit that the petitioners are not entitled to be appointed as Assistant Surgeons, as according to them, the petitioners were appointed only on contract basis and they do not have any vested right

W.P.No.32609 of 2022

for appointment as Assistant Surgeons. According to them, having failed to get selected in the year 2018, they cannot now seek for regular appointment as Assistant Surgeons.

9. The above contention of the learned counsels is disputed by the learned counsel for the petitioners, who would reiterate that the petitioners are entitled for being recruited as Assistant Surgeons.

10. This Court is of the considered view that no prejudice will be caused to the respondents if the petitioners' representation seeking for regular appointment as Assistant Surgeons, is considered on merits and in accordance with law, within a time frame to be fixed by this Court.

11. The petitioners have given several representations including the last representation on 22.11.2022. However, this Court is of the considered view that the petitioners will have to give a fresh representation to the respondents to enable them to consider the same on merits and in accordance with law.

12. For the foregoing reasons, this Court directs the petitioners to

W.P.No.32609 of 2022

submit a fresh representation to the first and second respondents seeking for grant of regular appointment as Assistant Surgeons, considering the Covid-19 duty rendered by them during all three Covid-19 waves and their eligibility in the Medical Recruitment Board Examination 2018, in the existing vacancy, within a period of two (2) weeks from the date of receipt of a copy of this order. On receipt of the said representation, the first and second respondents shall pass final orders on merits and in accordance with law, within a period of eight (8) weeks thereafter. The petitioners are directed to send a copy of the judgment of the Hon'ble Supreme Court dated 30.04.2021 in '*Suo Motu Writ Petition (Civil) No.3 of 2021*' in '*In Re: Distribution of Essential Supplies and Services During Pandemic*' and the Central Government notification dated 03.05.2021, for the respondents' consideration.

13. With the aforesaid directions, this Writ Petition is disposed of. No costs. Connected miscellaneous petition is closed.
