-----  
**ORDER**

Instant writ petition has been filed to challenge the Circulars/Memos, issued by the 3rd respondent/The Chief Financial Controller (Revenue) of TANGEDCO.

2. Today, when the matter is taken up for hearing, learned counsel appearing for the petitioner submitted that on an earlier occasion, this Court has dealt with the similar issue in W.P.No.18252 of 2017 and vide order, dated 9/12/2021, the learned Single Judge of this Court, has disposed of the said writ petition. To substantiate his case, learned counsel has produced the copy of the order to this Court.

3. A perusal of the case referred by the learned counsel appearing for the petitioner, would indicate that a similar issue was put under challenge before the Appellate Tribunal for Electricity, New Delhi, wherein the Appellate Tribunal has passed the following order :

“17. Summary of Findings:-

Based on issue-wise discussion & analysis, stated supra, we sum up our findings as under:-

17.1 Issue No.1:- We hold that the second Respondent/TANGEDCO can be entrusted with the exercise of collecting & verifying data for the purpose of verification of captive plant status only. However, any coercive action to be initiated against the CGP /captive users regarding its captive status or for recovery of CSS, as per law, it shall be decided by the first Respondent /State Commission.

17.2 Issue No.2:- We hold that for the purpose of granting open access for captive purpose, the document as recorded at Para 11.3 shall be adequate/sufficient. Needless to mention that these documents, as specified therein, are

within the framework of TNERC Grid Connectivity & Intra State Open Access Regulations, 2014 and also do not violate the provisions of Rule 3 of the Electricity Rules, 2005.

17.3 Issue No.3:- We hold that as per provisions stipulated under the Rule 3 of the Electricity Rules, 2005, the SPV & AOP are two distinct entities and cannot be equated at par for computation of annual power consumption for determining the captive status.

17.4 Issue No.4:- We hold that the verification for determining ownership & consumption for CGP /captive users under Rule 3, being an independent exercise, has to be done on annual basis, at the end of financial year.

17.5 Issue No.5:- We hold that the directions contained in Paras 6.6.3 and 7.8.2 of the impugned order passed by the State Commission are in disregard to Rule 3 of the Electricity Rules and hence, cannot be sustained.

17.6 Issue No.6:- We hold that as per settled

principles of law, there cannot be retrospective application of the procedure formulated under the impugned order for verification of status of CGP/captive users. However, it is clarified that for the past years, the second Respondent/TANGEDCO can verify data for the purpose of determination of captive plant status on the basis of data already furnished by CGP/Captive users while availing the open access.

17.7 Issue No.7:- We set aside the directions contained in Para 7.6.9 of the impugned order wherein the State Commission has held that, in the event, the weightage average of shareholding of captive users changes within a financial year, then the same has to be intimated within ten days to the second respondent/TANGEDCO, otherwise the said licensee would proceed to verify captive status without considering weightage average shareholding.”

4. Against the above said order, an appeal was preferred before the

Writ Petition No.16554 of 2017
