For Respondent : Mr.R.Kishore Kumar,
Government Advocate (Cr1 side)

O R D E R

This Criminal Original Petition has been filed to quash the private complaint filed against the petitioners in C.C.No.7932 of 2018 pending on the file of the learned IV Metropolitan Magistrate Court, Saidapet for the alleged offence under Section 18(c) of The Drugs and Cosmetics Act, 1940 read with Rule 65 of the Drugs and Cosmetics Rules, 1945 and read with condition 3 (ii) of Form 20 B and condition No.4(ii) of Form 21 B punishable under Section 27(d) of the Act.

2.The crux of the allegations made in the complaint is that the petitioners have sold the drugs to one M/s.Hannah Medicals, Adyar, Chennai-20, who was not holding a valid drug licence. According to the respondent, drug licence had expired based on the rental agreement dated 01.12.2014 on which date the change in constitution of the firm has happened. Hence, the complaint has been filed.

3.The learned Senior Counsel appearing for the petitioners submitted that M/s.Hannah Medicals, to whom the drugs have been sold by the petitioners had a valid licence till 31.12.2017. Merely because the rental agreement with the land lord is not extended by way of other documents, it cannot be said that the retailer has also forfeited the license issued under the Drugs and Cosmetics Act, 1940. He has further submitted that the entire prosecution is nothing but abuse of process of law.

4.Heard Mr.AR.L.Sundaresan, learned Senior Counsel appearing for the petitioners and Mr.R.Kishore Kumar, learned Government Advocate (Crl.Side) appearing for the respondent and also perused the materials available on record.

5.On a perusal of the records, it reveals that the main allegation against the petitioners is that the petitioners sold the drugs to one M/s.Hannah Medicals, who was not holding the valid drug licence. It is also relevant to note that the complaint itself is laid on the basis of certain complaints received from one of the partners of the medicals, who had sought for cancellation of the licence. The allegation in the complaint itself shows that as if the drugs were sold to the retailer who has no licence. Form 21-C has also been produced along with the typed set of papers, which is not disputed by the State and the same itself shows that the license was valid from 01.01.2013 to 31.12.2017.

6.Therefore, the very allegation of the respondent Drug Inspector that the drugs were sold to a person, who did not have a valid license is not correct. In such view of the matter, the prosecution initiated against this petitioner is not maintainable.

7.Accordingly, this Criminal Original Petition is allowed and the proceedings in C.C.No.7932 of 2018 pending before
