2. The suit was for bare injunction. The case of the plaintiffs was that it is a natham. The trial court dismissed the suit and the first appellate court also confirmed the same. Questioning the same, this second appeal came to be filed.

3. It appears that most of the appellants are no more. Be that as it may, the learned Special Government Pleader appearing for the respondents has filed status report stating that a school building has been constructed on the suit property. Therefore, nothing survives for further adjudication. The second appeal is dismissed as infructuous. No cost.
