The present writ petition has been filed seeking a Writ of Mandamus, directing the first respondent to consider the representation of the petitioner, dated 09.11.2013 and not to register any association to be started by the respondents 2 and 3.

2.According to the learned counsel for the petitioner, the respondents 2 and 3 were expelled from the petitioner's association and they are attempting to start a new association with a similar name.

The petitioner can have objection only if an association is registered with the same name or a similar name. In the present case, the association has been started by the second and third respondents with a different name and the petitioner has no legal right whatsoever to object to the starting of an association by the respondents 2 and 3 with a different name.
