3. On instructions, the learned counsel for the respondents 1 and 2 now submits that the pipelines have already removed and no further orders are required in the writ petition. The said fact is recorded.

4. In case, if the respondents 1 and 2 would like to lay any pipelines in the lands belonging to the writ petitioners, they shall not do the same without following due process of law.

5. The learned counsel for the petitioners submits that in view of laying of the pipelines, the petitioners have suffered a huge damage to the agricultural land. If the petitioners feel so, they are at liberty to approach the competent Civil Court for redressal of their grievances.

6. With the above said observations, this Writ Petition stands disposed of. No costs. Consequently, connected Miscellaneous Petition is closed.
