... Respondent

Writ Petition filed under Article 226 of the Constitution of India, seeking for the issuance of Writ of Mandamus, directing the respondent to pay interest at the rate of 18% per annum, for the period from 31.05.2018 to 21.09.2019 in paying the amounts paid towards his terminal and pension benefits namely Gratuity, EPF, Earn Leave Salary and Surrender Leave Salary Within a time frame as may be fixed by this Court and without affecting his right to claim balance amounts towards those benefits.

For Petitioner : Mr.S.Sivanesan
For Respondent : Mr.Rajmohan

ORDER

This writ petition is filed for a Mandamus, directing the respondent to pay interest at the rate of 18% per annum, for the period from 31.05.2018 to 21.09.2019 in paying the amounts paid towards his terminal and pension benefits namely Gratuity, EPF, Earn Leave Salary and Surrender Leave Salary Within a time frame as may be fixed by this Court and without affecting his right to claim balance amounts towards those benefits.

2. The case of the petitioner is that he served in the respondent Transport Corporation and he retired from service on 31.05.2018. The retirement benefits of the petitioner were settled only on 21.09.2019. Since the benefits have been settled belatedly, the respondent is liable to pay interest for the belated payment. Therefore, the petitioner gave a representation dated 07.01.2022 to the respondent, but, the same did not evoke any response. Therefore, the petitioner has filed this writ petition for the above said relief.

3. Mr.Raj Mohan, learned counsel, takes notice on behalf of the respondent and fairly admits that in similar writ petitions, this Court has ordered for payment of interest at the rate of 6% p.a. for the belated payment of retirement benefits and therefore, the petitioner is also entitled for the same relief. However, the learned counsel appearing for the respondent submits that owing to Covid-19 pandemic situation, the Corporation is facing financial difficulties and requested for some time to pay the interest.

4. By consent of both the parties, the writ petition is taken up for final hearing at the admission stage itself.

5. This Court paid its anxious consideration to the rival submissions made and also perused the materials placed on record.

6. The employer is liable to settle the retirement benefits without any delay and the belated payment is liable to be compensated by way of interest for the belated payment. In this regard, the Hon'ble Apex Court in **S.K.Dua vs. State of Haryana** reported in **2008 (3) SCC 44**, has held as follows:

"14. In the circumstances, prima facie, we are of the view that the grievance voiced by the appellant appears to be well founded that he would be entitled to interest on such benefits. If there are statutory rules occupying the field, the appellant could claim payment of interest relying on such rules. If there are administrative instructions, guidelines or norms prescribed for the purpose, the appellant may claim benefit of interest on that basis. But even in absence of statutory rules, administrative instructions or guidelines, an employee can claim interest under Part III of the Constitution relying on Articles 14, 19 and 21 of the Constitution. The submission of the learned counsel for the appellant, that retiral benefits are not in the nature of "bounty" is, in our opinion well founded and needs no authority in support thereof. In that view of the matter, in our considered opinion, the High Court was not right in dismissing the petition in living even without issuing notice to the respondents."

7. Following the same, in similar issue, a Division Bench of this Court, in W.A.(MD)No.403 of 2010, etc. batch, vide common order dated 04.07.2014, has held as follows:

"5. even though there is no provision in the Tamil Nadu State Transport Corporation Employees Pension Fund for payment of interest, cannot stand in the light of the law laid down by the Supreme Court in S.K.Dua v. State of Haryana and another, reported in (2008) 3 SCC

44. As a matter of fact, the Rules do not contemplate belated payment of retirement benefits. The Rules contemplate prompt payment. When the Rules contemplate prompt payment and not belated payment, the Rules will not contain a provision for payment of interest. The Pension Fund which was created as a Trust by the Corporation was supposed to act in trust for the employees' benefit. If the Trust could not make payments within the time stipulated, then, irrespective of whether there is any provision for payment of interest or not, the Corporation is obliged to make payment."

The Division Bench has also fixed the rate of interest at 6% p.a.

8. Following the dictum laid down on this issue, the writ petition is disposed of with a direction to the respondent/Transport Corporation to pay interest for the belated payment of retirement benefits at the rate of 6% p.a., from the date of retirement till the date of actual disbursement, within a period of six months from the date of receipt of a copy of this order. However, the petitioner is not entitled for the interest for the belated payment of Surrender Leave Salary. No costs.
