For Respondents : Mr.M.Prakash
Additional Government Pleader

ORDER

Heard the learned counsel on either side.

2. The petitioner claims to have purchased the petition mentioned property from one Kaliammal. The petitioner's land was acquired by the second respondent for National Highway extension. The petitioner however, has not been paid any compensation. The reason appears to be that the husband of Kaliammal filed civil suit regarding the property. Since the second respondent is not clear about the ownership, the second respondent had not disbursed the compensation to the petitioner. If the second respondent has any substantial doubts regarding title, then he himself must refer the matter to the concerned Court. A decision in this regard will be taken by the second respondent one way or the other. If any reference is made to the jurisdictional civil Court, the jurisdictional civil Court will decide the reference within a period of six month thereafter.
