ORDER

(Order of the Court was made by
PUSHPA SATHYANARAYANA, J.)

The writ petition is challenging the impugned order in Letter No.Ko.16/2022/Vu.Po-3 Melur, dated 27.01.2022 passed by the 1st Respondent.

2. The impugned notice clearly states that for all those encroachers including the petitioner, a notice was issued in Form III on 27.10.2020 calling upon them to remove the encroachments and vacate the premises. Despite the same, the encroachments were not removed. In the meanwhile, this Court had given directions to remove all the encroachments on the water bodies under the Tamil Nadu Protection of Tanks and Eviction of Encroachment Act 2007, pursuant to which, the impugned notice is issued to remove the encroachment on 04.02.2022 that is, today.

3. The encroachment alleged is in Survey No.65, whereas, the petitioner has produced the sale deed for Survey Nos.54/2B, 68/1, 68/3A, 69/1, 69/3, 69/4B1A. The learned counsel for the petitioner is unable to say whether the petitioner has got any right over Survey No.65. He admitted that it is only his adjacent lands.

4. Therefore, we see no merit to admit the case. It is open to the respondents to proceed with the eviction proceedings. However, at the request of the petitioner, we grant two months time from today to remove the encroachments, vacate the premises and hand over the vacant possession to the authorities.

5. With the above direction, the Writ Petition is disposed of. No costs. Consequently, connected miscellaneous petition is closed.
