O R D E R

By consent of both the parties, this writ petition is taken up for final disposal.

2. The petitioner herein had given a representation to the respondents on 09.05.2019 seeking to appoint and observe petitioner as Forest Watcher or Mali with effect from the date of petitioner's junior's retrospective appointment on absorption in the date of 24.01.1995 as Forest Watcher. Since the said representation was not considered, the present writ petition has been filed.

3. It is needless to point out that whenever a representation of this nature is made to a Statutory Authority, there is a duty cast upon the respondents to consider the same on its own merits and pass appropriate orders in one way or other, instead of keeping the same pending indefinitely. As such, non-consideration of the representation by the Statutory Authority would amount to dereliction of duty and hence, this Court will be justified in invoking its extraordinary powers under Article 226 of Constitution of India and direct them to consider the same within a stipulated time.

4. In the light of the above observations, there shall be a direction to the petitioner to give a fresh representation to the respondents, though he has made a representation, dated 09.05.2019, seeking to appoint and observe petitioner as Forest Watcher or Mali with effect from the date of petitioner's junior's retrospective appointment on absorption in the date of 24.01.1995 as Forest Watcher and on receipt of such representation the second respondent herein to consider the same, on its own merits and pass appropriate orders in accordance with law, within a period of twelve **(12)** weeks from the date of receipt of such representation. It is made clear that this Court has not expressed any of its views with regard to the merits of the claim of the petitioner and that it is open to the concerned respondent to consider the same on its own merits.

5. With the above direction, the Writ Petition stands disposed of. No costs.
