ORDER

The revision petitioner / plaintiff has filed this revision to set aside the order, dated 12.08.2021 passed in I.A.No.148 of 2021 in O.S.No.467 of 2019 by the Subordinate Judge, Melur.

2. Heard the learned counsel appearing for the petitioner. Since no adverse order passed against the respondent no notice is necessary to the respondent.

3. The said Interlocutory Application filed by the petitioner / plaintiff to grant permission to examine the Village Administrative Officer as witness on the side of the plaintiff. However, The plaintiff has not stated any reason for examining the Village Administrative Officer.

4. The suit is for damages and in the Interlocutory Application the petitioner has called for certain documents and all the documents were marked through PW.1. So, without any proper pleadings the petitioner cannot seek permission to examine the Village Administrative Officer on the side of the plaintiff.
