property, which has been used by the villagers, they are ready to conduct the case and they have filed their written statement on 12.10.2012 itself. However, the suit was adjourned from 21.11.2014 to 13.07.2015 stating that IA, CMP and CRP are pending. Thereafter, it was posted from 06.08.2015 to 28.09.2015 for enquiry. The grievance of the petitioners is that the suit has been filed in the year 2012 and it has been kept pending without any effective progress for the past 10 years. Hence, the petitioner has come up with this present Civil Revision Petition seeking for early disposal of O.S.No.271 of 2012.

3.This Court considered the submissions of the learned counsel for the petitioner and also perused the materials placed on record.

4.It is seen from the records that the suit is of the year 2012 and it was adjourned for one reason or another over a period of 10 long years.

6. With the above direction, this Civil Revision Petition is disposed of. No costs.
