The present writ petition has been filed seeking for a Mandamus, directing the first respondent herein to dispose of an appeal arising out of Patta Pass Book Act.

2. According to the learned counsel for the petitioner, the petitioner along with two others have filed an appeal before the first respondent herein on 25.05.2022, which has been acknowledged by the first respondent on 26.05.2022. The limited prayer of the petitioner is for expeditious disposal of the said appeal. At the time of admission, the learned Counsel for the respondents No.8 and 9 appeared and he contended that with regard to the same property, already civil proceedings were initiated and they have culminated as against the ancestors of the writ petitioner. Hence, the learned counsel for the respondents No.8 and 9 contended that the petitioner is attempting to resurrect the old issue. He further contends that so far the respondents have not received notice in the appeal which is said to have been presented by the writ petitioner.

W.P.(MD).No.13013 of 2022

3. I have carefully considered the submissions made on either side.

4. Considering the limited scope of the prayer in the writ petition, there shall be a direction to the first respondent herein to dispose of the appeal presented by the writ petitioner along with others as expeditiously as possible after giving due opportunity to the writ petitioner and the private respondents and pass orders in accordance with law.

5. With the above said observations, the Writ Petition stands disposed of. No costs.
