ORDER

Heard the learned Senior Counsel appearing for the writ petitioner, the learned Additional Government Pleader appearing for the official respondents and the learned counsel appearing for the fifth respondent.

2. The writ petitioner is working as Assistant at Government Primary Health Center, Mukudal, Tirunelveli District. The post of Assistant is a feeder category for the promotional post of Junior Water Analyst in Tamil Nadu Public Health Subordinate Services. The qualification prescribed for the said post, is as follows :

“(i) Promotion or recruitment by transfer - B.Sc., B.Sc., (Hons), M.A or M.Sc., degree with Botany, Zoology or Chemistry as the main subject; and

(ii) Direct recruitment - M.Sc., degree with Botany, Zoology or Chemistry subject as the main subject.”

3. The writ petitioner is possessing the prescribed qualification (B.Sc Chemistry). The certificate was issued on 22.07.2021. However, the examination results had been published on 05.03.2021 itself. These facts are not in dispute. The crucial date for preparing the promotional panel was 15.03.2021. On the said date, the writ petitioner was admittedly qualified, but

because he was not possessing the requisite certificate he was not included in the promotional panel. The promotion panel was prepared only on 04.06.2022.

Willingness from the candidates in the feeder category was called on 08.09.2021. Proposal was submitted on 30.09.2021. Yet the petitioner was not included in the panel only for the reason that he was not having the requisite certificate on the crucial date. The question raised in this case was considered by the Hon'ble Division Bench in W.A(MD)No.1058 of 2020 dated 23.12.2020 (The Chairman, Teachers Recruitment Board Vs B.Jaiwanth & Ohters). Paragraph 7 of the judgment of the Hon'ble Division Bench reads as follows:

“7. As per the notification, what is required is passing of the required qualification. The cut-off date for the required qualification was fixed as 15.07.2019 and the petitioner passed the Degree Course well within the cut-off date, ie., on 14.07.2019, in view of the declaration of results by the University. Though the provisional certificate was issued belatedly, the first respondent also produced the same at the time of Certificate Verification and therefore, it cannot be construed that the first respondent was not having the required prescribed qualification, as on the last date of submission of filled-in online application.”

The case on hand is similar. Merely because the provisional certificate was issued subsequent to the crucial date, the petitioner cannot be disqualified on

that ground.

4. The order impugned in the writ petition is interfered with to the extent it excludes the writ petitioner. The writ petitioner shall be granted promotion as Junior Water Analyst from date of on which his immediate Junior was promoted.

5. This writ petition is allowed. Consequently, connected miscellaneous petitions are closed. No costs.
