2. The learned counsel appearing for the petitioner submits that the petitioner was appointed as Village Assistant on 29.07.1980 and he was brought under time scale of pay with effect from 06.07.1995. On 01.11.2019, he was promoted to the post of Office Assistant and retired from service on 30.11.2021 on attaining the age of superannuation. He served as Office Assistant from 01.11.2019 to 30.11.2021. The total period of his service as Village Assistant before he was brought under the time scale of pay was from 29.07.1980 to 06.07.1995. However, without giving the benefit to this long service, his pension was wrongly calculated as the period of 26 years, 3 months and 16 days. The respondents should have taken into account 24 years of regular service of the petitioner as Village Assistant and two years of his service as Office Assistant, 50% of service as Village Assistant from 29.07.1980 to 06.07.1995 for computing the pension. The service of the petitioner would come around more than 30 years of service. In this regard, the petitioner has submitted a representation dated 01.06.2022. However, there is no response from the respondents. Hence, the present writ petition has been filed.

3. Mr.R.Ragavendran, learned Government Advocate takes notice for the respondents and submits that the representation of the petitioner would be considered.

4. From the facts narrated above, it is seen that the petitioner was appointed as Village Assistant during the year 1980 and he was brought under the time scale of pay on 06.07.1995. Thereafter, he was promoted as Office Assistant on 01.11.2019 . It is apparent from the records that the service of the petitioner as Village Assistant from the date of his appointment and the period after he was brought under the time scale of pay, was not considered, while calculating the pension. The claim of the petitioner is that his service as Village Assistant, Office Assistant and 50% of his service from the date of appointment till the date when he was brought under the time scale of pay should be considered for fixing the period of service and for computing the pension. Hence, there is some merit in the claim of the petitioner. Therefore, the respondents are directed to consider the representation of
