ORDER

This writ petition is filed seeking a mandamus to direct the respondent police to give police protection in view of the threat based by the petitioner in the hands of the respondents 6 to 8.

2.The learned Additional Public Prosecutor appearing for the respondents 1 to 5 states that regarding the land dispute, a complaint and counter complaint have been received by the respondent police and the same were registered in C.S.R.Nos.53 of 2019 and 63 of 2019. After enquiry, since the matter is pertaining to a civil dispute, the parties were instructed to approach the competent civil Court to settle the dispute over the title and possession and there is no other criminal offence found made out in the complaints. Hence, no action is taken against either party.

3.This Court finds that since the matter is purely a civil dispute, the parties have to settle the dispute over the title and possession only before the civil Court and the police station is not a competent place. In view of the above said fact, the prayer sought for in the writ petition is not maintainable. Accordingly, this writ petition is dismissed. No costs.
