The petitioner has applied to the jurisdictional authority for conducting survey of the petition mentioned lands and for demarcation of the boundaries. Since the authority had not acted upon the petitioner's request, this writ petition came to be filed.

(I) The survey authority will issue notice to the writ petitioner as well as the adjacent land owners and also to the interested persons, if any.

(III) If according to the jurisdictional authority, the objections are without any basis, the same shall be overruled and the objectors shall be informed accordingly. But the survey will be conducted only after a period of six weeks so that the objector can move the concerned Court for injunction. If before the proposed date of survey, the objector is unable to obtain any injunction order, the survey can very well go on.
