3. The case of the petitioner is that he was not assigned with any duty.

I do not want to go into this controversy. This writ petition has been filed seeking return of the petition mentioned certificates. It is well settled that Educational Certificates are not marketable commodities and that the respondents cannot have any lien on them in terms of Section 171 of the Indian Contracts Act, 1872. In this view of the matter, the respondents 2 and 4 are directed to return the petition mentioned certificates to the writ petitioner forthwith and without any delay.

4. This writ petition is allowed. No costs.
