ORDER

The writ petitioner herein underwent Post Graduate degree course in the fifth respondent medical college. At the time of admission, she had undertaken to serve the Government of Tamil Nadu for a period of two years. In default, she had agreed to pay a sum of Rs.40,00,000/- as

damages. The petitioner has since successfully completed her post graduate course. However, she is not in a position to adhere to the bond condition. Therefore, the respondents have also not returned the petition mentioned certificates to the petitioner. That led to filing of the present writ petition.

2.It is well settled that educational certificates of the students are not marketable commodities and there can be no lien on them under Section 171 of the Indian Contract Act. In a number of similar cases, direction for return of the certificates had been granted and the Government had also complied with the same. In these circumstances, the fifth respondent is directed to return the petition mentioned certificates along with Provisional Certificate in original to the writ petitioner forthwith and without any delay.

3.This writ petition stands allowed accordingly. No costs.
