PRAYER : Writ Petition filed under Article 226 of the Constitution of India, praying this Court to issue a Writ of Mandamus, directing the respondents 1 to 3 to award forthwith the three marks to the petitioner for her answer to Question No.33 under part-B of the Chemistry examination of the Higher Secondary Course-March 2015 and further direct the respondents 4 and 5 to provide the petitioner with admission to the MBBS Degree Course in the appropriate Government Medical college in the State of Tamil Nadu for the academic year 2015-2016 according to the marks/rank secured by the petitioner.

ORDER

The present writ petition has been filed seeking a Writ of Mandamus, directing the respondents 1 to 3 to reevaluate the answer script (Chemistry) of the writ petitioner, who had appeared for the Higher Secondary Chemistry examination in March 2015.

W.P(MD)No.10718 of 2015

2. According to the learned Counsel appearing for the writ petitioner, though the Question No.33 had been answered correctly by the writ petitioner, it has been struck out by the evaluator and if marks are allotted to the said answer, she would have got more marks and got admission in the Government Medical College.

3. The learned Government Advocate appearing for the official respondents pointed out that the writ petitioner had joined in private Medical College and she had completed her M.B.B.S. and now pursuing her PG Degree.

4. It is not known whether the writ petitioner had applied in time for revaluation of her answer script. It is also not on record whether the writ petitioner had paid the requisite fee for revaluation of her answer script. It is seen from the records that the writ petitioner had applied for the copy of the answer script and due to lack of time, she had not applied for revaluation. Without any proper application for revaluation of the answer script, the request of the writ petitioner cannot be entertained by this Court. The question of mandamus would arise only if the writ petitioner had applied for revaluation along with requisite fee. Hence, the

writ petitioner has not made out any case. Hence, this Writ Petition stands closed. No costs. Consequently, connected Miscellaneous Petitions are closed.
