ORDER

The present writ petition has been filed seeking a writ of Mandamus, directing the first respondent to refer the award for the endorsement of compensation and invoking section 18 of the Land Acquisition Act, 1894.

2.Admittedly, the award has been passed by the second respondent hearin on 17.01.1991, in Award No.1 of 1991. Act within the time stipulated. Since there was no response from the respondents, the present writ petition has been filed seeking a writ of Mandamus, directing the first respondent to refer the award under section 18 of Land Acquisition Act.

3.Per Contra, the learned counsel for the respondents have filed a counter affidavit and contended that no such representation has been received from the petitioners on 02.04.1991. That apart, the representations have not been received on any other date within period of 6 weeks from the date of the award. Hence, they are not in a position to refer the matter under section 18 of Land Acquisition Act .

4.A perusal of the typed set of papers indicates that various representations have been enclosed in the typed set of papers without any proper acknowledgement for being sent to the respondents. Hence, this Court is not in a position to arrive at a conclusion that the representations have been sent within the statutory limit of 6 weeks from the date of the award. Therefore, the question of issuance of a writ of Mandamus to the

However, the petitioners are at liberty to approach the District Collector under Section 28 A of the Land Acquisition Act, 1894. In case, if they filed an application within a period of three months from the date of the award passed by the Land Acquisition Tribunal, the same shall be disposed of on merits and in accordance with law.

5.Hence, the writ petition is dismissed. No costs.
